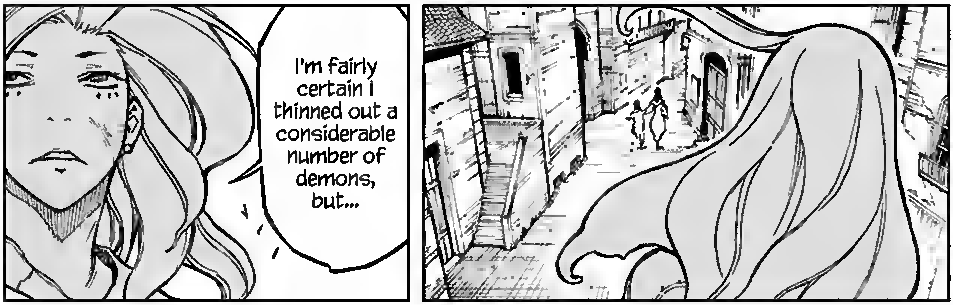
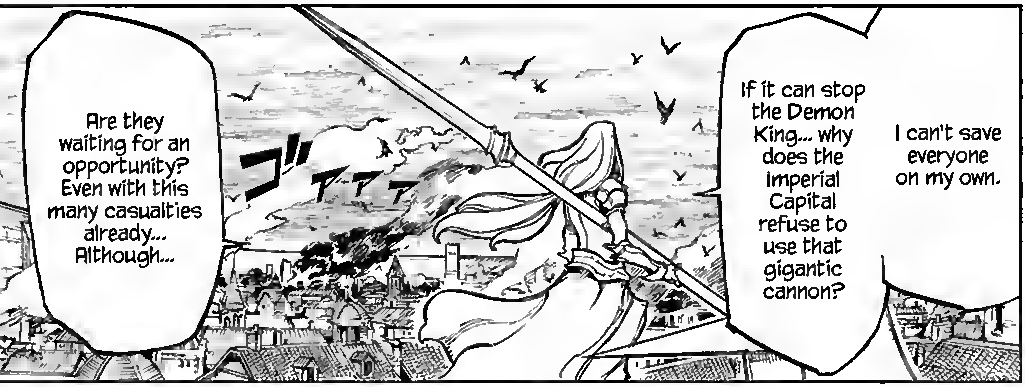
Company of Hero-sama!!
Thank you so much!!
You're so cool!
From what I saw in the skies, there aren't any demons north and south.
Flee to those directions.
Going straight to the inside of the wall is dangerous from here.



I'm fairly certain I thinned out a considerable number of demons, but...



Are they waiting for an opportunity? Even with this many casualties already... Although...
ゴーーー
If it can stop the Demon King... why does the Imperial Capital refuse to use that gigantic cannon?
I can't save everyone on my own.

I can't wait for a miracle to happen.
In the end, I can only embark on my own to take on the Demon King!!

……？
What's going on?
No matter how far I go, I can't find a path that leads inside.

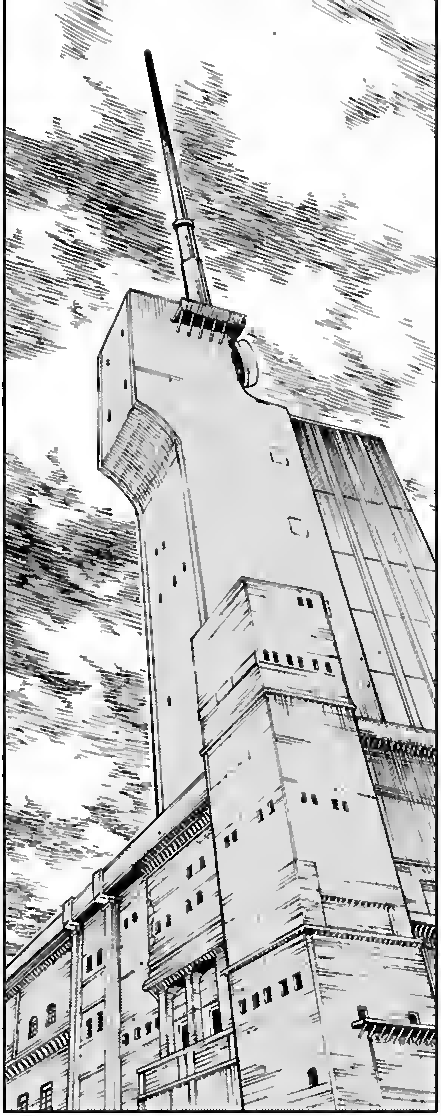
This manmade weapon of yours...
I praise its creation as well!
What a significant achievement, human!
How many of our soldiers have you destroyed now?
I praise you for acquiring this extent of power as a mere human!

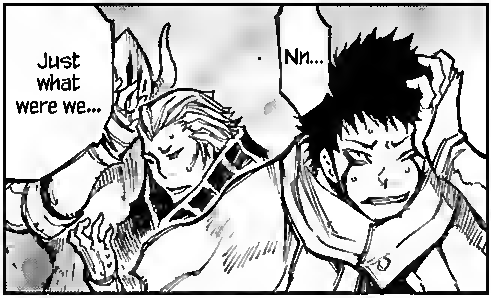
What else
are you hiding from us?
For humans to build up this much power in a mere 16 years...
Even so, there is still no way for any of you to destroy Demon King-sama
The power that has destroyed the Demon Kings up until now...
Are you referring to that?
However,
it appears this leisurely stroll has frightened the Demon King, hm...?
I thought the Demon King was someone I couldn't reach, yet...
Contrary my expectations, it appears that is not necessarily true.
Even if I knew, I have no reason to tell you.
.....

The likes of the little demon king's watchdog
should stop barking!!
You should realize the existence of light in this world!!!
You punny being!
Are you mocking His Excellency, the Great Demon King!!?
You should repent for your foolishness!!!

I can't...
move a single steppp...



Oh ...?



Just what were we...

as well as all these decades of acquired knowledge,
and even Yomi, mankind's final weapon....!
The Demon King has already arrived at the third wall!
Norton-sama, we don't have time!!
If it manages to pass the fourth wall where we plan to fire at, all of our efforts will be in vain,
DID YOU HEAR RRR R!!?
SAPILE NNE- SAMAA AA!!
The fourth wall...

This thing's...
